Over 500 Brand-New Bikes Will Be Gifted To Local Kids Through The Children's Foundation Of Palm Beach County's Bikes For Tikes Program

Over 500 bikes will be provided to local kids from The Fuller Center, YMCA of the Palm Beaches, YMCA of South Palm Beach County and Roots and Wings Inc. through the Children's Foundation of Palm Beach County's initiative, Bikes for Tikes. Fuller Center and YMCA Pre-K graduates will each receive a bike as their graduation gift. Roots and Wings kids will receive a bike based on their achievement level.

The foundation is accepting donations toward these bikes starting at \$160 for one bike and helmet.

"In addition to the over \$1 million we provide to

more than 30 children's charities each year, we also provide needed items such as bikes, cribs and diapers," said Pamela Weinroth, executive director and COO, for Children's Foundation of Palm Beach County. "The foundation's impact on local kids has been tremendous, as we've been able to provide essentials for 9,000 children each day, including after school care, tutoring, summer camps, sports and music programs, meals, school supplies, college scholarships and more."

Sponsors include Palm Beach Country Club and Baptist Health.

About Children's Foundation Of Palm Beach County

The Children's Foundation of Palm Beach County was launched in 2010 and came about as a desire by the thousands of volunteers to give back to children in Palm Beach County. The foundation's mission is to identify and fund projects to assist children and their families in need in the area. Since its inception, the foundation has granted more than \$15 million for specific programs of more than 30 charities.
